

Campus HS recommended course sequence for 9th & 10th graders interested in the International Baccalaureate

<u>IB Course Jr & Sr year</u>	<u>9th grade</u>	<u>10th grade</u>	<u>Important Notes</u>
HL: English Language & Literature	9 Honors (or B or higher in English 9)	10 Honors (or B or higher in English 10)	-Honors English in 9th & 10th grade (& earning at least a B) is strongly recommended. -IB course meets the English & Speech requirements for CHS graduation.
SL: Spanish	Spanish 1 or Spanish 2	Spanish 2 or Spanish ab initio	-If a student successfully completed a full year of Spanish in middle school, it is recommended that he/she enroll in Spanish 2 in 9th grade. -Students planning to enroll in IB Spanish B may enroll in IB Spanish ab initio in 10th grade.
SL: Spanish ab initio	Spanish 1	Spanish 2	-Previous language experience is not required to enroll in the Spanish ab initio course, but the intro courses are recommended.
SL: French ab initio	French 1	French 2	-Previous language experience is not required to enroll in the French ab initio course, but the intro courses are recommended.
HL: History of the Americas	Pre-AP World History	AP US History	-If Pre-AP and/or AP History classes aren't taken in 9th & 10th grade, earning an A in regular history is strongly recommended. -IB course meets the History & American Government requirements for CHS graduation.
HL or SL: Biology	Honors Biology	Honors Chemistry	-Students who want to also complete the KS Honors Scholars curriculum should plan to enroll in Physics or IB Physics.
SL: Physics	Honors Biology	Honors Chemistry	-Students must successfully complete Algebra II & enroll in IB Math: Analysis & Approaches course in order to take IB Physics.
HL or SL: Sports, Exercise & Health Science (SEHS)	Biology or Honors Biology	Chemistry or Honors Chemistry	-Incorporates the disciplines of anatomy & physiology, biomechanics, psychology, & nutrition. -Students who want to also complete the KS Honors Scholars curriculum should plan to enroll in Physics or IB Physics
SL: Math Analysis & Approaches (A & A)	Geometry	Algebra II	-For students interested in math-centric majors/careers. -Students must complete Algebra II, with at least a B, prior to enrolling in IB Math: A & A.
SL: Math Applications & Interpretations (A & I)	Geometry or Algebra I	Algebra II or Geometry	-For students who do not plan on majoring in science or math related fields in college. -Students must have successfully completed Geometry prior to taking IB Math: A & I.
HL: Business Management	Business elective	Youth Entrepreneurs	-Students planning on enrolling in IB Business may enroll in Youth Entrepreneurs in 10th grade.
HL or SL: Visual Art	Intro to Art	Art Elective	-Drawing is the preferred art elective.
Campus HS curriculum	PE/Health & Fine Arts	Electives of their choosing	-Both the student's junior & senior years they will get to choose three additional elective classes.

Note: IB students will take 3 Higher Level (HL) & 3 Standard Level (SL) classes. In general, HL IB exams are more rigorous than SL.
