Enrollment Changes For Fall

New Enrollment Procedure For Haysville Students

No more standing in line. No more missed work. ALL returning students in the Haysville School District will use mail-in enrollment for the 2006-2007 school year. There will be no formal enrollment times scheduled for any returning students.

Students who will begin kindergarten that attended Kindergarten Round-Up in April and pre-registered Early Childhood Center students will also enroll by mail.

Mail-in enrollment packets will be mailed in early July and should be mailed back to the Administration Building, along with fees, by August 4. Enrollment packets will include all forms, fee information, and supply lists for the coming school year.

Only students who are new to the district and are not attending a Haysville USD 261 school, kindergarten students who did not attend the Kindergarten Round-Up, and new ECC students will enroll in person. All others will be enrolled by mail.

The district will conduct a one-day enrollment for students who are new to the district. The 2006 One Stop Enrollment will be held on August 3 at the Haysville Middle School, 900 West Grand, from 9:00 a.m. to 7:00 p.m. Documents needed for enrollment include a copy of the student's birth certificate, social security card, immunization records and proof of residence in the Haysville school district. Acceptable proof of residence includes a current utility bill showing the student's address or a current rental or purchase agreement. Questions about residency should be directed to Debbie Coleman, 554-2200.

Immunizations Available During One Stop Enrollment Day

The Sedgwick County Health Department will hold an immunization clinic at Haysville Middle School, 900 West Grand on Thursday, August 3 from 3:00-6:00 P.M. The clinic will see persons who are preschool through high school age. Anyone in need of any immunization can participate. Costs will be on a sliding scale based on family income. Participants will need immunization records, if available, and proof of current income. Both new students who are participating in the One Stop Enrollment and current Haysville students who need to update their immunizations can use the service. Questions about immunizations should be referred to Tammy Palmer, District Nurse, at 761-8479.

CHS Students Volunteer at Head Start Event

Members of the Campus High School Honor Society were among the volunteers who helped staff the 12th Annual Green Eggs and Ham Day for the Early Head Start and Head Start community. The event was held at Friends University on April 19 and 20.

Approximately 1500 Head Start students were in attendance. The Campus NHS members were kept busy reading stories, doing face painting, helping with art projects, handing teddy bear check-ups, and much more. Karen Kreutzer is the Campus NHS sponsor.

Campus High School Honor Society members are shown in the costumes they wore when they volunteered at the 12th Annual Green Eggs and Ham Day at Friends University. Shown left to right are (back row): Caleb McCaffree, Taylor Barton, Cassandra Fields, Miranda Cain, Jackie Miller, Krystel Berry, Becky Bobbitt, Amanda Dobbs, and Nicole Mahanay. Shown left to right, front row are: Karen Kreutzer (sponsor), Laura McGowan, Stephanie Harvey, Abby Fenster, Lauren Peil, Jenna Hoppock. Not pictured are Amy Regier and Miranda Tucker.

USD 261 Technology Survey for Parents—Spring '06

Lisa Cundiff, Director of Instructional Technology

Technology use at home and at school is growing and changing quickly. It would be greatly appreciated if you would take a moment to answer the following technology-related questions. Your responses will be very helpful as instructional technology goals, plans and policies are developed and revised. **Responses can be returned to any of our school offices, or if you would prefer, this survey is also available on our district's web site at www.usd261.com.** (A Student Technology Survey is available in the Student Section of our web site.) **Thank you for participating in this survey!**

1. Grade level of your children? (Circle all that apply)
 - a. Pre-School
 - b. Elementary
 - c. Middle School
 - d. High School

2. If you have Internet access at home for your children, how often do your children use computers at home during the week for educational purposes?
 - a. We do not have access to the Internet
 - b. Less than 2 hours
 - c. 1-3 hours
 - d. 5 or more hours
 - e. Other _____

3. How often do you use email to contact teachers or administrators?
 - a. Several times a week
 - b. A few times a month
 - c. A few times a year
 - d. Never

4. How often do you use our district's web-based PowerSchool application to access information regarding your children?
 - a. Several times a week
 - b. A few times a month
 - c. A few times a year
 - d. Never

5. What resources would you like to see offered on the district website www.usd261.com?

6. What benefits are provided from the technology resources available to your children in the district?

7. In your opinion, what could the district do to improve learning and teaching with technology?

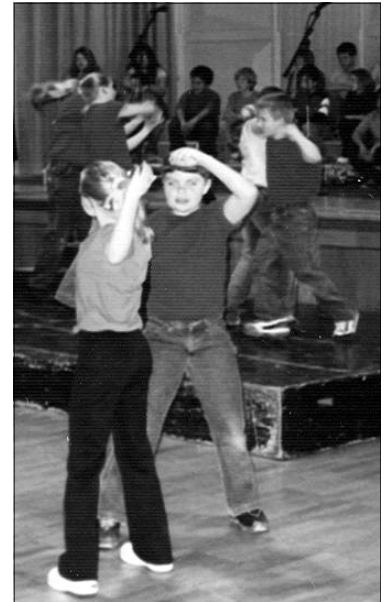

8. Other comments

Responses can be returned to any of our school offices, or if you would prefer, this survey is also available on our district's web site at www.usd261.com.

District Happenings —

The Campus High School Clothing Connection Class and teacher Jan Tamson are shown with one of three baby quilts they made and delivered to the Neonatal Intensive Care Unit at Via Christi St. Joseph Campus. The group also made approximately 40 baby caps. This is one of the service projects done by the class.

Rex Elementary “Celebration On Performance” program focused on various music genres including Big Band, Jazz, Country, and Hip Hop. Students enjoyed the event so much the school is considering a fifth grade swing dance club.

The Haysville KIDS Committee was recognized for their work in the successful passage of the \$49 million facilities bond at the Friends of Education Banquet held in Andover on April 8. Shown l-r are Andover Board member Dr. Linda Hope, Haysville BOE president Glenn Crum, KIDS Committee Co-chairs Susan and Tim Norton, Andover Superintendent Mark Evans, and Andover Assistant Superintendent Tom Ostrander. Other KIDS Committee members were: Susan and Bruce Armstrong, Clem Dickerson, Perry McCabe, Bruce Sanderson, Sandy Bradshaw, Kara Belew, Tony and Jan Tamson, and Dr. John Burke.

Four Haysville Middle School seventh grade students qualified for State recognition through the Duke University Talent Search program. The students are eligible to participate in ceremonies at the University of Kansas on June 4th to recognize their achievement. Students take the ACT or SAT tests to qualify for the program. Those receiving State recognition this year are (seated l-r) William Green and Kimberly Winans. Standing (l-r) Shane Rogers and Alec Cork. Sandra Beck is the sponsor for the program.

Freeman PE students took advantage of the Spring weather to sharpen their archery skills.

The Oatville Odyssey of the Mind Team competed in the State tournament in Manhattan on April 1. Shown l-r (front) are Brianna Hovey, Kylie Sanchez and Heather Betzen. Back are Bailey Klein, Brandon Wilkens, Andryn Needham, team sponsor Mrs. Melinda Wren, and Courtney Swinger.

Ruth Clark Elementary fourth graders in Emily Chandler's class got creative with vegetables and fruit during Earth Day activities on April 21.

The Nelson Staff hammed it up doing the "YMCA" during the family night event to benefit student Christopher Bishop. Money raised will help cover costs for medical treatments.

Big Truck Night and Family Tool Time were two activities offered recently by the Haysville Parents as Teachers program. Big Truck Night drew over 400 participants as parents and children from the Haysville Early Childhood Center and PAT families enjoyed the many trucks and vehicles that were part of the exhibits. During Tool Time, children and their parents participated in activity stations that included wall-papering, house painting, hammering, and "build your own snack."

Summer Athletic Camps Offered At CHS

High School Football Camp

When: May 30th—June 3 (Tuesday-Saturday)
8:00 a.m. to Noon
Where: Campus High School Practice Field

Session II: 1:00-3:00 p.m. for campers who have completed 7th or 8th grade.

Camp staff includes CHS and HMS basketball coaches.

Haysville Early Childhood Center Now Enrolling For Fall Classes

Preschool classes for children who live in the Haysville School District and will be 4 years old by August 31 and meet enrollment criteria. The nine month preschool offers classes for children who meet At-Risk or Special Education guidelines.

Guidelines for Preschool Program Services

If one or more of the following statements describes your child then he or she is eligible to attend the Haysville Early Childhood Center:

- Single parent family
- One or both parents were under the age of 20 when the mother was pregnant with the child
- Migrant family
- Limited income
- You receive assistance from SRS
- One parent has not graduated from high school
- A language other than English is spoken by the student
- Child has delays in at least one area of development (such as motor, language, or academic concepts). This is determined during the Count Your Kid In screening.

Guidelines for Receiving Special Education Classroom Services

Do one or more of the following statements describe your child? If so, they may be eligible to attend the Haysville Early Childhood Center?

- Your child has difficulty with:
- physical development (walking, running climbing, etc.)
 - fine motor development (coloring, block building, feeding and eating)
 - basic preschool level knowledge (colors, counting, understanding simple directions)
 - speech (ability to ask and answer questions and be understood at a developmentally appropriate level)
 - diagnosed disability or condition impacting their ability to learn

All children must complete a Count Your Kid In Screening prior to enrollment. Screenings are scheduled for May 24 and August 16. To schedule an appointment, call 554-2233. Children must be accompanied by an adult. Screening takes approximately one hour to complete. Your child may qualify for the preschool program if they are found to be significantly behind in development and in need of special services. For more information call 554-2233.

2006 Swartzendruber Scholarship Winners Announced

The 2006 Kristen Swartzendruber Memorial Scholarships winners were announced at the Haysville Board of Education meeting on May 1. The scholarship fund was established in memory of Kristen Swartzendruber who was interim superintendent of schools when she was killed in a car accident on September 28, 2002. This is the final year for the scholarship program. The scholarship is awarded to one teacher and two students who intend to have a career in education. This year a Merit scholarship was also given. Those receiving scholarships were Jill Rausch, Chelsea Eck, Brindi Ferbert, and Emily Jones.

Jill Rausch is a social studies teacher at the Haysville Middle School where she has taught for nine years. She was the 2004-05 USD 261 candidate for Kansas Teacher of the Year. She is currently enrolled in the masters program at Wichita State University.

Chelsea Eck is a senior at Campus High School and plans to attend Wichita State University where she intends to participate in the Co-operative Education Program. She has been active at Campus High School as a member of Natural Helpers, National Honor Society and Student Council. Chelsea has been a part of the Big Brothers Big Sisters organization and has had a "Little Sister" since 2004

Brindi Ferbert is planning to attend Baker University upon her graduation from Campus High School. She will major in Secondary Education with an emphasis in either business or drama. Brindi has been active in Campus High School Business Professionals and was selected to compete at the National Business and Professionals Leadership Conference. In addition, Brindi has been a member of the CHS Thespian Troupe #573, the Art Club, Campus Bowling team, and Youth Entrepreneurs of Kansas.

Emily Jones received a Merit Scholarship. She plans to attend college where she will major in Anthropology. Emily has been active in the Campus High School Music program as a member of the Treble Choir, Symphonic Choir, and the Campus Singers. She also performed in several theatre productions. She is a member of the Campus National Honor Society and is a Kansas Honors Student. Emily's volunteer work includes working at the Lord's Diner, Big Brothers and Big Sisters, and Special Olympics.

Tim and Taylor Swartzendruber are shown with 2006 scholarship winners (l-r) Chelsea Eck, Brindi Ferbert and Emily Jones.
