REVIEW GUIDELINES

**Directions:**

As with any evaluation process, the intent is to provide information that will enable the employee to improve job performance. Individuals needing to improve in an area shall be given specific information as to the reasons why improvement is needed and time to correct any deficiencies.

Check one rating for each function. The evaluator may comment on any marking but functions marked "Marginal" or "Unsatisfactory" shall include suggestions for improving performance.

**Complete this Employee Evaluation using the following scale:**

**Outstanding** – Performance is so successful at this element of your job that special note should be made.

**Very Good** – Performance at this level is consistently better than average.

**Satisfactory** – Performance is at or above the standards required.

**Marginal** – Performance is somewhat below the minimum standard for this element of your job. There appears to be, however, potential and the willingness to improve.

**Unsatisfactory** – Performance on this element of your job is well below the standards and potential and/or willingness to meet the minimum standards is not immediately apparent.
