BREAKFASTMENU

USDA announced that each student will be offered one free breakfast and one free lunch during the 2021-2022 school year. We are happy to be able to offer this to our families for the second year in a row!

The National School Lunch Program Guidelines require we offer each student 5 food components--

- **MEAT / MEAT ALTERNATES (PROTEINS)**
- **GRAINS**
- **VEGETABLES**
- **FRUITS**
- **MILK**

Students are allowed to decline 2 of the 5 required food components, but grades K-8 must select at least 1/2 cup of either a fruit or vegetable. We encourage every student to take all the foods that are offered!
