Dear Families,

It is November and we have so much to be THANKFUL for! Thank you for all your support to help your child be successful in 1st Grade.

Please remember to have your child read EVERY NIGHT! You can read to them or better yet they can read to you. Don't forget to record the story in their agenda, found in their GO Books. They have a chance to earn 2 prizes if they read 90% of the month. A prize from Dr. E and a Book It. So remember to READ!!

As always if you have any questions or concerns, please do not hesitate to contact us via e-mail or at 554-2350.

Have a GREAT Month!

The 1st Grade Team 😊

November 12: NO SCHOOL-Veteran's Day

November 21-23: NO SCHOOL-Thanksgiving Break

Here's What we are Learning!

Reading

We will continue to read short vowel words with word families and start to look at words with consonant blends. We will also be focusing on phoneme segmentation. Our stories this month focus on America, citizenship, life long ago and Thanksgiving. Continue to practice reading at home with your child. They should be able to read the Words to Remember in their books.

Math

We are working on addition and subtraction. We will continue learning about number stories. We will learn to model and solve parts and total situations where 2 quantities are combined to make a larger quantity. We will also explore the relationship between counting and addition and subtraction.

Reminders

1. Help our school earn extra money. If you have Box Tops don't forget to bring them to school.
2. Every Wednesday you will be receiving a Prairie Elementary folder. This folder contains information to school wide and district wide events, functions, etc. Please look at everything in the folder, remove the contents and return the folder every Thursday.

Thank you for your support and cooperation!
