

## Literacy First:

Word Study and Oral Language are a big part of your child's day. The purpose of word study is to address phonics skills, spelling patterns and vocabulary growth. Oral Language and Word Study are crucial skills that begin in Pre-K and continue throughout your child's education. Some of the ways your child practices word study in the various grades include: word sorts, keeping a word study notebook, looking at language and its history, doing word hunts, webs or ladders, illustrating words, writing ABC books or homophone books, practicing with dictionaries and thesauruses, doing activity cards and playing games based from our L.F. skills packets.

If you have any questions about Literacy First please feel free to contact your child's teacher, myself or check out the official website: [www.catapultlearning.com](http://www.catapultlearning.com)

# Counseling

Pennies for Patients will be starting again in February. This is Rex's annual fundraiser to help kids with leukemia and lymphoma. The dates are February 5-23. Boxes will be passed out to the classes. Students are not limited to just pennies. The class with the most money on February 23th will be awarded with a pasta party from the Olive Garden. The past 3 years, Rex has raised \$1500-\$2500 to help leukemia and lymphoma patients. Let's do it again!
