

Year End Information for Parents

Reminder!

- As this school year winds down, we have been preparing for the 2017-18 school year. If your student has outstanding fees due, please make plans to pay these before taking off for the summer. Keeping these accounts current will speed up your enrollment process in the Fall. If you are unsure if your student's fees are current, please call the office at 554-2281.
- For the 2017-18 school year, only those students with braces, orthodontic appliances, or serious dental conditions will be allowed to brush their teeth at school. A supporting note from their dentist must also be provided in those cases. Thank you for your cooperation.

Literacy First:

As this school year begins to wind down, I want to say that there have been excellent things that have been going on in your child's classroom! As far as reading, your child has been given the tools to help them succeed at decoding and blending words together. They have practiced not only how to read in a fluent manner, but to read with expression, smoothness and phrasing. As your child prepares for the upcoming grade, please help keep their skills fresh during our nice, long summer break by trying some of these fun activities:

- Go on a scavenger hunt—have a written list (or pictures if your child is in PreK/KDG) of things for your child to read and look for outside. Be creative!
- Read and write a recipe of your favorite foods, then make that food.
- Check out some funny poems from your library and read them in silly voices together.
- Listen to books on cd or online, discuss the characters, setting, plot, etc.
- Play "I Spy" using rhyming words, initial or final sounds, syllables, etc.
- Read lyrics to their favorite songs and sing them.
- Write compound words (or any words) in shaving cream, sand or play dough.
- Use sidewalk chalk to create words with prefixes and suffixes.
- Read signs you see in your environment—billboards, businesses, etc.
- Check out some websites by Googling your child's grade level + reading activities.

Have a wonderful and relaxing summer vacation ~ Don't forget to READ!

Brenda Lolling
Learning Facilitator

HEALTHROOM

Another school year is almost over!!!

Hearing and Vision rechecks and check of new students will be completed on May 8, 2017.

I will be mailing letters and doctor forms in May for students who've been taking medication at school. This should give plenty of time for you to get these forms completed by the doctor before school starts on August 17, 2017.

I've sent out letters to parents of Pre-K students going into Kindergarten next year. They need to have immunizations up-to-date before the first day of school August 17, 2017. If you didn't get a letter, your child is good on immunizations for the 2017-2018 school year.

Please make sure your student has a current physical on file with the school.

The last day of school will be Thursday, May 18, 2017, with dismissal at 11:40 am. I will start sending home medication on Tuesday, May 16 and also on Wednesday, May 17. Inhalers will be sent home the last day of school. If you prefer to pick up your child's medications, please contact me at 554-2281 and let me know, otherwise they will be sent home with your child.

Donations of gently used clothes are appreciated for the health room.

I hope you and your children have a wonderful, safe summer.

Morgan Lehning, LPN

Check out our Rex Roadrunner page on Facebook.

Student of the Week

Each week teachers are asked to choose one student who has shown Rex P.R.I.D.E. and has been an example to others. These students have been chosen as Student of the Week and we congratulate them!
