

Request for Special Transportation

Parents,

It is the philosophy of Haysville West Middle School that all students ride to and from activities on the school provided transportation. We do realize that circumstances arise that may require a student to ride home with his or her parents or legal guardian. These situations will be dealt with on an individual basis after the proper paperwork has been filed.

Please fill out the information below and return it to your Head Coach.

I, _____ request for my child _____,
to be released to _____ after the end of the (Game/Event Site) _____
on (date) _____.

I understand that Haysville West Middle School will only release my child to the above mentioned adult or myself. Haysville West Middle School and/or USD 261 will not be responsible for any events that occur after the student has been released to the responsible party.
