## Student/Parent/Teacher Conferences

The administrators and staff at HWMS would like to welcome and encourage you to attend conferences. As parents, you will have the opportunity to meet and visit your child’s/children’s teachers about their classroom performance, achievements, goals and concerns. HWMS’ conference format is a student led conference. Your child has set their goals and developed a plan of action to achieve these goals. Your child should have discussed their goals with you and are preparing in class to lead you through these conferences. During conferences they will update you on their progress in meeting these goals. Parents and their child/children should report to their child’s/children’s first hour class to pick up a report card. Parents and students will be seen on a first-come, first-serve basis. Once again, we encourage you to attend and have your child accompany you to these conferences. HWMS staff and administration feels that students who are held accountable for their performance achieve at a higher level.

Conference Hours:

Mon., Oct. 24th 3:15-8pm

Wed., Oct. 26th 3:15-8pm

We look forward to seeing you there!
