

Thank you for choosing The Little Clinic for your athlete's sports physical. We are excited to be able to come to your school to provide this service. Please complete the following before the day of the event to ensure we can complete the physical.

- Complete page 1 of the Pre-Participation Physical Evaluation form. Please complete page 1 entirely including answering all the history questions. Your signature is needed on this form as well.
- Complete The Little Clinic's Informed Consent Form
- Payment is needed at the time of service. We can accept cash (exact amount only), check or credit card payments. For credit cards please provide Name, Card Number, Expiration Date, zip code, and CVS code from the back of the card.

### CONSENTS AND STATEMENT OF FINANCIAL RESPONSIBILITY

I, the person signing below as Patient or Responsible Party, consent to have The Little Clinic's health care provider treat me, or the Patient for whom I am responsible, in the clinic. I, on behalf of myself, or on behalf of the Patient for whom I am responsible, consent to (1) a physical examination or nutrition counseling, as applicable, (2) any necessary diagnostic testing or screening, (3) any necessary medical treatment, and (4) if necessary, administration or application of prescription medication. I understand that for purposes of this document, if I am not the Patient signing below, I am the Responsible Party signing below, which means that I am consenting to healthcare treatment on behalf of a minor or other person, and that I am the parent, legal guardian, or personal representative of that person. I understand The Little Clinic is a retail convenient care clinic where practitioner assessment is performed for only a limited number of conditions. I understand that I am not required to purchase any recommended or prescribed items from the host retail location. I have been informed about the limited services provided and that treatment will be performed by a Nurse Practitioner or Physician Assistant, and for nutrition counseling, services will be provided by a Dietitian or Nutritionist. The assessment of my medical condition, or the medical condition of the patient for whom I am responsible, is limited to the scope of services of the clinic and the licensure of the practitioner, in accordance with applicable law and regulation. Any recommended treatment will be in accordance with the practitioner's assessment, the result of any diagnostic test(s) performed, and nationally accepted best practices and clinical guidelines. I acknowledge and agree that results from any diagnostic test may be sent to the address on my account as the Patient or Responsible Party. Any other specific medical questions I have about my or the patient's medical condition, treatment, care, or diagnosis should be presented to my, or the Patient's, regular professional health care provider. I hereby assign and transfer all of my (or the Patient for whom I am responsible) rights, entitlement, and interest in all benefits and payments now due and payable, or that become due and payable, under any insurance policies, any replacement policies, any self-insurance program, worker compensation plan, employers and state welfare funds, or under any other benefit or entitlement plan for related outpatient care to The Little Clinic and/or its agents or divisions. In addition, I authorize the release of any medical information deemed necessary by The Little Clinic or its agents or divisions to my insurance carrier or any entitlement program provider in order to determine the benefits applicable to this date of service. This authorization shall remain valid until written notice is given by me revoking this authorization. I understand that I am financially responsible for all charges, whether or not they are covered by my insurance carrier or entitlement plan, including Medicare and, delinquent accounts shall bear interest at the legal rate allowed. If The Little Clinic has an agreement with my health plan or insurer, I understand that I am responsible for paying any co-payment or deductible amount today. I understand that I will be billed for any deductible, co-insurance, or non-covered services deemed my responsibility by my insurance carrier or entitlement plan. I agree to pay collection costs and reasonable attorney fees incurred in attempting to collect any outstanding balances on my account. I acknowledge that I have received The Little Clinic's Notice of Privacy Practices and the Patient Bill of Rights and Responsibilities. I recognize the information gathered by The Little Clinic may need to be disclosed to a third party for purposes of administration, treatment, payment, and other healthcare operations. I consent to such release.

I confirm that I have read, or have had read to me, this form. I have had all questions related to this form answered and understand the above. I also confirm that the Patient Is  or Is NOT  a **Medicare** beneficiary; Is  or Is NOT  a **Medicaid** beneficiary.

# ATTENTION PARENTS AND STUDENTS

## KSHSAA ELIGIBILITY CHECKLIST

**PPE shall not be taken earlier than May 1 preceding the school year for which it is applicable.**

**NOTE: Transfer Rule 18 states in part, a student is eligible transfer-wise if:**

**BEGINNING SEVENTH GRADER**—A seventh grader, at the beginning of his or her seventh grade year, is eligible under the Transfer Rule at any school he or she may choose to attend. In addition, age and academic eligibility requirements must also be met.

**BEGINNING NINTH GRADERS IN A THREE-YEAR JUNIOR HIGH SCHOOL**—So that ninth graders of a three-year junior high are treated equally to ninth graders of a four-year senior high school, a student who has successfully completed the eighth grade of a two-year junior high/middle school, may transfer to the ninth grade of a three-year junior high school at the beginning of the school year and be eligible immediately under the Transfer Rule. Such a ninth grader must then, as a tenth grader, attend the feeder senior high school of their school system. Should they attend a different school as a tenth grader, they would be ineligible for eighteen weeks.

**ENTERING HIGH SCHOOL FOR THE FIRST TIME**—A senior high school student is eligible under the Transfer Rule at any senior high school he or she may choose to attend when senior high is entered for the first time at the beginning of the school year. In addition, age and academic eligibility requirements must also be met.

### For Middle/Junior High and Senior High School Students to Retain Eligibility

**Schools may have stricter rules** than those pertaining to the questions above or listed below. Contact the principal or coach on any matter of eligibility. A student to be eligible to participate in interscholastic activities must be certified by the school principal as meeting all eligibility standards.

All KSHSAA rules and regulations are published in the official *KSHSAA Handbook* which is distributed annually and is available at your school principal's office.

**Below Are Brief Summaries Of Selected Rules. Please See Your Principal For Complete Information.**

**Rule 7 Physical Evaluation - Parental Consent**—Students shall have passed the **attached evaluation** and have the written consent of their parents or legal guardian.

**Rule 14 Bona Fide Student**—Eligible students shall be a **bona fide undergraduate member** of his/her school in good standing.

**Rule 15 Enrollment/Attendance**—Students must be regularly **enrolled and in attendance** not later than Monday of the fourth week of the semester in which they participate.

**Rule 16 Semester Requirements**—A student shall not have more than two semesters of possible eligibility in grade seven and two semesters in grade eight. A student shall not have more than eight consecutive semesters of possible eligibility in grades nine through twelve, regardless of whether the ninth grade is included in junior high or in a senior high school.

*NOTE: If a student does not participate or is ineligible due to transfer, scholarship, etc., the semester(s) during that period shall be counted toward the total number of semesters possible.*

**Rule 17 Age Requirements**—Students are eligible if they are not 19 years of **age** (16, 15 or 14 for junior high or middle school student) on or before August 1 of the school year in which they compete.

**Rule 19 Undue Influence**—The use of **undue influence** by any person to secure or retain a student shall cause ineligibility. If tuition is charged or reduced, it shall meet the requirements of the KSHSAA.

**Rules 20/21 Amateur and Awards Rules**—Students are eligible if they have not **competed under a false name** or for money or merchandise of intrinsic value, and have observed all other provisions of the Amateur and Awards Rules.

**Rule 22 Outside Competition**—Students may not engage in **outside competition** in the same sport during a season in which they are representing their school.

*NOTE: Consult the coach, athletic director or principal before participating individually or on a team in any game, training session, contest, or tryout conducted by an outside organization.*

**Rule 25 Anti-Fraternity**—Students are eligible if they are not members of any **fraternity** or other organization prohibited by law or by the rules of the KSHSAA.

**Rule 26 Anti-Tryout and Private Instruction**—Students are eligible if they have not participated in **training sessions or tryouts** held by colleges or other outside agencies or organizations in the same sport while a member of a school athletic team.

**Rule 30 Seasons of Sport**—Students are not eligible for more than **four seasons** in one sport in a four-year high school, three seasons in a three-year high school or two seasons in a two-year high school.

Student's Name \_\_\_\_\_

(PLEASE PRINT CLEARLY)

To be eligible for participation in interscholastic athletics/spirit groups, a student must have on file with the superintendent or principal, a signed statement by a physician, chiropractor, physician's assistant who has been authorized to perform the examination by a Kansas licensed supervising physician or an advanced practice registered nurse who has been authorized to perform this examination by a Kansas licensed supervising physician, certifying the student has passed an adequate physical examination and is physically fit to participate (See KSHSAA Handbook, Rule 7). A complete history and physical examination must be performed annually before a student participates in KSHSAA interscholastic athletics/cheerleading. **The annual history and the physical examination shall not be taken earlier than May 1 preceding the school year for which it is applicable.** The KSHSAA recommends completion of this evaluation by athletes/cheerleaders at least one month prior to the first practice to allow time for correction of deficiencies and implementation of conditioning recommendations.

## Parent or Guardian Consent

I do not know of any existing physical or any additional health reasons that would preclude participation in activities. I certify that the answers to the questions in the **HISTORY** part of the Preparticipation Physical Examination (PPE), are true and accurate. I approve participation in activities. I hereby authorize release to the KSHSAA, school nurse, certified athletic trainer (whether employee or independent contractor of the school), school administrators, coach and medical provider of information contained in this document. Upon written request, I may receive a copy of this document for my own personal health care records.

I acknowledge that there are risks of participating, including the possibility of catastrophic injury.

I hereby give my consent for the above student to compete in KSHSAA approved activities, and to accompany school representatives on school trips and receive emergency medical treatment when necessary. It is understood that neither the KSHSAA nor the school assumes any responsibility in case of accident. The undersigned agrees to be responsible for the safe return of all equipment issued by the school to the student.

**The above named student and I have read the  
KSHSAA Eligibility Checklist  
and how to retain eligibility information listed in this form.**

### For Middle/Junior High and Senior High School Students to Determine Eligibility When Enrolling

If a **negative** response is given to any of the following questions, this enrollee should contact his/her administrator in charge of evaluating eligibility. This should be done before the student is allowed to attend his/her first class and prior to the first activity practice. If questions still exist, the school administrator should telephone the KSHSAA for a final determination of eligibility. (Schools shall process a Certificate of Transfer Form T-E on **all** transfer students.)

**YES NO**

- 1.   Are you a bona fide student in **good standing** in school? (If there is a question, your principal will make that determination.)
- 2.   Did you **pass at least five new subjects (those not previously passed)** last semester? (The KSHSAA has a minimum regulation which requires you to pass at least five subjects of unit weight in your last semester of attendance.)
- 3.   Are you planning to **enroll in at least five new subjects (those not previously passed)** of unit weight this coming semester? (The KSHSAA has a minimum regulation which requires you to enroll and be in attendance in at least five subjects of unit weight.)
- 4.   Did you **attend** this school or a feeder school in your district last semester? (If the answer is "no" to this question, please answer Sections a and b.)
  - a. Do you reside with your parents?
  - b. If you reside with your parents, have they made a permanent and bona fide move into your school's attendance center?

**The student/parent authorizes the school to release to the KSHSAA student records and other pertinent documents and information for the purpose of determining student eligibility. The student/parent also authorizes the school and the KSHSAA to publish the name and picture of student as a result of participating in or attending extra-curricular activities, school events and KSHSAA activities or events.**

**KSHSAA RECOMMENDED CONCUSSION & HEAD INJURY INFORMATION RELEASE  
FORM  
2018-2019**

**This form must be signed by all student athletes and parent/guardians before the student participates in any athletic or spirit practice or contest each school year.**

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

<b>Symptoms may include one or more of the following:</b>	
<ul style="list-style-type: none"> <li>• Headaches</li> <li>• “Pressure in head”</li> <li>• Nausea or vomiting</li> <li>• Neck pain</li> <li>• Balance problems or dizziness</li> <li>• Blurred, double, or fuzzy vision</li> <li>• Sensitivity to light or noise</li> <li>• Feeling sluggish or slowed down</li> <li>• Feeling foggy or groggy</li> <li>• Drowsiness</li> <li>• Change in sleep patterns</li> </ul>	<ul style="list-style-type: none"> <li>• Amnesia</li> <li>• “Don’t feel right”</li> <li>• Fatigue or low energy</li> <li>• Sadness</li> <li>• Nervousness or anxiety</li> <li>• Irritability</li> <li>• More emotional</li> <li>• Confusion</li> <li>• Concentration or memory problems (forgetting game plays)</li> <li>• Repeating the same question/comment</li> </ul>

<b>Signs observed by teammates, parents, and coaches include:</b>	
<ul style="list-style-type: none"> <li>• Appears dazed</li> <li>• Vacant facial expression</li> <li>• Confused about assignment</li> <li>• Forgets plays</li> <li>• Is unsure of game, score, or opponent</li> <li>• Moves clumsily or displays incoordination</li> <li>• Answers questions slowly</li> <li>• Slurred speech</li> </ul>	<ul style="list-style-type: none"> <li>• Shows behavior or personality changes</li> <li>• Can’t recall events prior to hit</li> <li>• Can’t recall events after hit</li> <li>• Seizures or convulsions</li> <li>• Any change in typical behavior or personality</li> <li>• Loses consciousness</li> </ul>

Adapted from the CDC and the 3rd International Conference in Sport

**What can happen if my child keeps on playing with a concussion or returns too soon?**

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one (second impact syndrome). This can lead to prolonged recovery, or even to severe brain swelling with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often under report symptoms of injuries. And concussions are no different. As a result, education of administrators, coaches, parents and students is the key for student-athlete’s safety.

## **If you think your child has suffered a concussion**

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after sustaining a concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from a Medical Doctor (MD) or Doctor of Osteopathic Medicine (DO). Close observation of the athlete should continue for several hours. You should also inform your child's coach if you think that your child may have a concussion Remember it is better to miss one game than miss the whole season. **When in doubt, the athlete sits out!**

### **Cognitive Rest & Return to Learn**

The first step to concussion recovery is cognitive rest. This is essential for the brain to heal. Activities that require concentration and attention such as trying to meet academic requirements, the use of electronic devices (computers, tablets, video games, texting, etc.), and exposure to loud noises may worsen symptoms and delay recovery. Students may need their academic workload modified while they are initially recovering from a concussion. Decreasing stress on the brain early on after a concussion may lessen symptoms and shorten the recovery time. This may involve staying home from school for a few days, followed by a lightened school schedule, gradually increasing to normal. Any academic modifications should be coordinated jointly between the student's medical providers and school personnel. No consideration should be given to returning to physical activity until the student is fully integrated back into the classroom setting and is symptom free. Rarely, a student will be diagnosed with post-concussive syndrome and have symptoms that last weeks to months. In these cases, a student may be recommended to start a non-contact physical activity regimen, but this will only be done under the direct supervision of a healthcare provider.

### **Return to Practice and Competition**

The Kansas School Sports Head Injury Prevention Act provides that if an athlete suffers, or is suspected of having suffered, a concussion or head injury during a competition or practice, the athlete must be immediately removed from the competition or practice and cannot return to practice or competition until a Health Care Professional has evaluated the athlete and provided a written authorization to return to practice and competition. The KSHSAA recommends that an athlete not return to practice or competition the same day the athlete suffers or is suspected of suffering a concussion. The KSHSAA also recommends that an athlete's return to practice and competition should follow a graduated protocol under the supervision of the health care provider (MD or DO).

For current and up-to-date information on concussions you can go to:
