Positive Actions With Students (PAWS)

Join our local volunteer program: Positive Actions With Students, also known as Prairie PAWS.

Enjoy the personal satisfaction of working with the elementary teachers, and administrators and most of all the students. As a volunteer you will bring your own experience and knowledge to our young people, and your presence within the school will help everyone to appreciate the real value of being a Prairie PAWS member. You will be an extra set of hands, eyes; ears and feet for school personnel.

Schedule: 7:55 AM – 8:30; 11:00 – 1:00; or 3:15 -3:50Pm
